

Maira Bush is a dedicated, talented young teacher at Lowell Elementary School.

Everett born and raised, she is very familiar with schools and students in the district and is determined to create the best educational environment for her students.

She is ready to utilise her extensive training and experience and take her classroom to the next stage by installing a Smart Board. A Smart Board would create flexibility, a high level of student engagement, and a fun, creative classroom!

A better learning environment will enhance the learning experience of our kids. A small contribution from you is all it takes!

# Kids in our community need your help!

## A Smart Board is a Smart choice for making some Smart kiddos

Goal: **\$3000**

Deadline: **December 20<sup>th</sup>**

Idea: **Internationally acclaimed**

Willpower to make this work:

**Astronomical**
